Thank you for helping Fur Trade Days reach its 43rd Year in 2019! What a statement that makes, and we couldn't have done it without your effort and support.

We have some new members on the 2019 Board of Directors, and our goal is to make each year as successful as the one before. Fur Trade Days is an important community event and takes thousands of volunteer hours to make the event memorable. Your organization is important to that success - we couldn't do it without you.

The Event Registration form is an important step for promotion. If you are organizing multiple events, please use a **separate form for each event**. Events will be listed on the recently updated website, and we will be promoting events on social media and other forms of advertising. Our goal is to have a preliminary list of events out by **May 1st**, so please submit your form early!

We also appreciate your help in providing an insurance certificate listing **Fur Trade Days, Inc.** as an additional insurer. Please remember to check with the City Offices if you are holding an event that involves them.

The Fur Trade Days Board is requesting your input. We want to know what is working and what is not. What can we do better? Feel free to contact me with any questions or comments so we can make 2019 Fur Trade Days the best one yet.
